ABOUT

Ultra durable and multi functional. The QT Pro2 is the most versatile plate loaded gym machine on the planet. Built alongside fitness professionals and athletes for all training environments, The QT Pro2 comes with interchangeable attachments allowing you to perform over 200 exercise modalities all in one small convenient footprint. The two loading arms have a combined capacity of 440lbs (200kg.) In addition to the straight bar, belt squat and landmine attachment provided, the Pro2 is capable of incorporating benches, resistance bands, stability balls, and suspension training rigs.
